

WV Rural Health Association Community Health Forums 2007

Facilitated by Gail Bellamy, Ph.D./Johnna Beane
Institute for Health Policy Research

Come add your voice to prioritize rural health care delivery needs on:

- Affordability of Health Insurance and Access to Health Care
- Reimbursement
- Lack of Private Sector Jobs with Benefits
- Lack of Mental Health Services
- Lack of Vision and Integration in Poorly Organized Systems of Care
- Technology Use - Disparity in Rural vs. Urban Health Care Systems
