

Conference Presenter Release Form

This form is provided to you as a presenter at the 2020 West Virginia Rural Health Association (WVRHA) fall virtual conference.

While you retain ownership of your presentation content and materials, WVRHA will capture your presentation in audio and/or video format and make recordings of your presentation and any handouts, slides or related information you use available to conference attendees and the public. To that end, WVRHA wants to make certain that you understand that the material and information you present may be shared publicly either via our website, our conference host website, or other means. Therefore, before you make your presentation, we ask that you complete and sign the following release:

I, _____, hereby affirm that I am authorized to execute this release form with regard to my presentation, including any handouts, PowerPoint slides, forms, protocols and related information (collectively referred to herein as the "Presentation"). By signing this release form I agree to give WVRHA the right to webcast my live Presentation and archive my recorded Presentation for further viewing by conference attendees and the public.

I attest that no materials used in the preparation of, or contained within my Presentation (including stock photography, video or other images) have been copyrighted by me or a third party. I also agree to hold WVRHA harmless and indemnify it against any claim made by a third party associated with the use or disclosure of any part of my Presentation.
